DESCRIPTION: Since 1989, Exposure Originals® has been manufacturing high-quality private label apparel for the discerning woman. Exposure Originals has filled a void in the world of fashion with style and originality. Its apparel brands include the Exposure Originals Signature™ and Exposure Originals Vibrating SSexy® collections. In addition to providing apparel Exposure Originals also offers client fashion consultation services under its Beyond Style brand.

Exposure Originals takes pride in manufacturing all of their apparel in the USA.

BEYOND STYLE: Exposure Originals offers private client services under its Beyond Style brand that include: Image Enhancement Sessions, Fashion Consultations, Wardrobe Reviews®, Companion Shopping, and Image on the Go group fashion consultations. Exposure Originals believes in thought-based approaches to fashion and image enhancing to help women develop their own personal styles. One cannot change their image by means of makeup, hair, and clothes alone. Your outer image has an inner counterpart, and giving attention only to the outside leaves a lost and weak internal follower.

An audio book called *Beyond Style The Quest* is in production. It will be a definitive guide to changing and sustaining one's appearance one thought at a time.

VIBRATING SSEXY: An apparel collection that promises to transcend fashion by redefining what it means to be sexy by advocating that sexiness comes from within. The collection includes: The Vibrating SSexy Blouse, The Vibrating Sexy Tank, The Vibrating Sexy T-Shirt and The Vibrating SSexy Visor.

SIGNATURE: An exclusive form-fitted collection of apparel for the more image-conscious, confident woman. The signature collection includes bodysuits, dresses, and pants.
